Mentor	80.29	32.90
Riverside*	59.83	30.08
Madison*	59.95	28.16
Perry*	44.20	20.00

Total Voted rate is the total original voted rates on all of the levies of the School District. House Bill 920 limits various school levies to the original dollar amount to be raised by the levies. As a result, the total voted millage is reduced to the effective tax rate. The effective tax rate is the rate that taxpayers actually pay (the tax rate reduced by House Bill 920).

Riverside Schools has the third lowest tax rate in comparison to the other school districts in Lake County.

*Rates do not include the Lake County School Financing District.

Gross Rate: 4.90 mills Effective Rate: 1.93 mills
