The Bylaws of the Board of Education can be found in BoardDocs.

2. Work Session

A. Overview and discussion regarding the Riverside Local School District 2023-2024 Report Card that was recently released by the Ohio Department of Education.

Dr. Rateno reviewed the 2023-2024 State Report Card. Riverside's overall rating is 3.5 stars. Dr. Rateno reviewed each section of the report card and told what each rating was based on. Dr. Mlakar then explained the plan for improvement for each section. There will be a new section on the report card in the future for College, Career, Workforce and Military Readiness. Dr. Rateno showed where Riverside stands in comparison to other districts. Riverside is fourth in Lake County in overall raw scores that make up the star rating.

B. Work Session for the District's legal counsel to provide training regarding proper use of social media. The Board of Education will discuss this topic following the training.

Mr. McIntyre spoke to the Board about proper use of social media. He said it is a gray area when posting on social media as to if you are acting as an individual or a Board member. It is important to state which capacity you are acting in when posting about Board business, but if one or more other Board members comments, it could be considered a serial meeting. All posts have to be kept due to the Public Records Act, and if a post is taken down due to disparaging remarks it could be

seen as violating the First Amendment. It is important to express opinions at the Board table and once an issue is voted on, to accept the will of the majority. Mr. McIntyre suggested considering a bylaw or policy to govern the use of social media by Board members. Mrs. Krenisky pointed out that this also applies to videos, interviews, and statements made to the media. Mr. McIntyre said that the rules are different if you are campaigning for office. There was discussion about appropriate Facebook posts. There was also some discussion about following Board policies and some decisions that have been made without adequate information provided to and discussion by the Board at the table.

3. Board of Education Business

- A. The Riverside Local School District Board of Education will send out by email a communication to the Riverside Local School District to inform about the progress, planning, and direction of the Board of Education. The Board of Education designates Scott Fishel to meet with Director of Marketing and Communications on Wednesday, October 9, 2024 to formulate the email communication. The email will be sent out on Wednesday, October 9, 2024.

Motion: Fishel

Second: Keeney

Discussion: There is some concern among Board members about one individual drafting the communication and about the timeline. There will not be a chance for all members of the Board to review the communication and give their input before it is sent out. Members can send their thoughts about what should be included in the email, but there cannot be any discussion without calling a meeting.
