# Students Name Sheriff's K-9

The Lake County Sheriff's Office introduced its newest K-9 to the public in May and the District's elementary schools were tasked with naming him.

The Sheriff's Office asked each elementary class at Buckeye, Melridge, Parkside and Riverview elementary schools to select a name for the K-9 and once all the names were submitted, the Sheriff's Office voted on the winner.

Mrs. Mackey's first grade class at Riverview

Elementary was the winning class. They picked the name Sado.

As part of the prize, the Lake County Sheriff's Office brought K-9 Sado to Riverview Elementary in June before the end of school so the students could meet him.

Sado is a Belgian Malinois and will join the Sheriff's Office road patrol once he completes training.

### New HR Director Hired

Join us in welcoming our new Human Resources Director, Mallory Aliff.

Previous to this role, Mallory worked at The Ohio State University for the past 13 years, and was most recently a Human Resources Consultant in the College of Engineering. She grew up in Jefferson, Ohio and attended Jefferson Area

Local Schools before graduating from The Ohio State University with a bachelor's degree.

In 2019 Mrs. Aliff and her family moved from Columbus back home to Concord Township. Mallory is married and has two children, a 6-year-old son and a 4-year-old daughter. In her free time Mallory enjoys cooking and exploring the local Metroparks and lakeshore with her family.

Welcome to the District, Mallory Aliff!

## RIVERSIDE CAMPUS

### ODE Recognizes Jaime McIntyre

Congratulations to Riverside High School teacher Jaime McIntyre for receiving the Ohio Department of Education's TORCH award on May 11.

The TORCH Award, which stands for Teachers of Ohio Representing Character and Heart, is given to extraordinary teachers by celebrating their efforts to model strong character and heart for their students, colleagues and communities. Mrs. McIntyre is just one of five teachers in the entire state to receive the award this year.

Mrs. McIntyre is an English and Communications teacher as well as Junior and Senior Advisor and S.I.D.E. Leadership Advisor. She has been with the District since 2004.

Throughout her time at Riverside, Mrs. McIntyre has been the epitome of an educator that leads by example. Her contributions to the community, in and out of the classroom, are numerous. Her enthusiasm for community service is infectious and an inspiration to students working with her.

In addition to the TORCH award, Mrs. McIntyre is also a current nominee for the Ohio Department of Education's Teacher of the Year.

Jaime McIntyre

# Free Meals For Students

The Nutrition Services Department is providing meals, by reservation only, for students in the Riverside Local School District throughout the summer. Meal pick-up is every Thursday from 12 p.m. to 12:30 p.m. at Riverside Campus, along the back of the building by the driveway marked 'RHS Kitchen Deliveries.'

Parents and guardians must fill out a meal pick-up form located on the home page of our website by Mondays at noon to receive meals in time for the Thursday pick-up. Per USDA guidelines, all meals served are at no cost to families.

**The USDA also announced that all students will continue to receive free meals through the 2021-2022 school year.**

## COMMUNITY

# Sponsorship Opportunity

The Riverside Local School District is pleased to present several banner sponsorship opportunities for local businesses, organizations and community members. Funds raised from the Banner Sponsorship Program will benefit the District's Athletic Department, which supports all high school and middle school athletic programs.

In addition to Riverside Stadium, we are expanding the Banner Sponsorship Program to include the Field House for Winter Sports and to the varsity baseball and softball fields for Spring Sports.

These venues bring in thousands of community members to the Riverside Campus on a weekly basis for not only high school sports, but also youth community leagues and various other events. This is a great way to have your company seen and recognized by many people on a weekly basis.

If you would like to participate in the Banner Sponsorship Program, please contact Nick Carrabine, Director of Marketing and Communications for the Riverside Local School District, at (440) 358-8206 or by email at [nick.carrabine@riversideschools.net](mailto:nick.carrabine@riversideschools.net).

We look forward to your support and our community partnership.

## District Facilities UPDATE

### Hale Road Elementary

In February of 2020, the District sold the entire Hale Road Elementary property to the Education Service Center of the Western Reserve for \$110,000. The ESCWR is using the property to facilitate multiple cross-district programs throughout Lake and Geauga counties.

### Hadden Elementary

The District and the Educational Service Center of the Western Reserve reached a purchase agreement on June 3, 2021 for the Hadden Elementary building, located at 1800 Mentor Avenue in Painesville Township.

The ESCWR agreed to pay the District a total of \$500,000 for the building. The ESCWR had previously been leasing the building from the District as a fiscal agent for the Governing Board of the iSTEM Early College High School. All entities agreed to terminate the lease agreement to move forward with the purchase agreement. The ESCWR plans to continue operating as a fiscal agent for the Governing Board of the iSTEM Early College High School at the Hadden Elementary property. Established in 2015, iSTEM is an independent, public school open to 8th through 12th graders residing in Northeast Ohio.

In December of 2019, the District agreed to sell the back portion of the Hadden property to Painesville Township for \$40,000, which will remain a park.

### 485 Riverside Drive

On June 11, 2021, the District's Board of Education voted to purchase 2.79 acres at 485 Riverside Drive, which is the property located

directly next to Riverside Campus, for the listed price of \$349,000. As part of the sale, the District agrees to pay the closing costs, title fees and half (2.5%) of the realtor fees.

Purchasing the property at 485 Riverside Drive gives the District additional flexibility while work continues on Phase II of the District's Facilities Plan. Phase II would allow the District to build a new 6-12 complex on the current Riverside Campus property should a second bond levy pass in the future.

The District's Facilities Plan is a three-phase plan that was passed by the Board in February of 2016. Phase I of the project is completed, as the District passed a bond levy in November of 2016 to construct two new elementary schools (Parkside and Riverview) while decommissioning the Hadden, Hale Road, Leroy and Madison Avenue Elementary Schools.

Phase III of the plan would allow the District to repurpose LaMuth Middle School into an elementary school and would require no additional funding from taxpayers. The District would then decommission Melridge and/or Buckeye Elementary Schools (depending on enrollment at that time).

The Board has not yet decided when a potential bond levy for the second phase would go on the ballot. It will not be in November of 2021.

### Leroy Elementary

The District will continue to explore all options regarding the decommissioning of the Leroy Elementary property.

*College Plans:* Bucknell University, where I will play volleyball.  
*Major:* Undeclared Business in the Management school  
*The best thing about Riverside and the Riverside Local Schools:* The community. As I spent much of my four years at volleyball, I felt constant support not only from other students, but from current and past teachers, staff, and other community members, whether it was from them being at the games or congratulating

us afterwards. That support and love is evident for countless other sports, clubs, and individual student accomplishments. I think this atmosphere of support is what brings the schools together in a positive way, and it is definitely something I will miss most about being a Riverside student.  
*Advice for future Riverside graduates:* You are the only person you need to be good enough for. High school is full of hard-to-reach standards and stereotypes. If you can be true to your own values while knowing that how you view yourself and how you treat others is what truly matters, you will be much happier and things will continue to fall in line for yourself in the end.

Each of my K-12 teachers has put forth the time and effort to provide me with the resources and instruction I needed to succeed in their classes and beyond.  
*Advice for future Riverside graduates:* Get involved! Join new clubs and try activities that spark your interest because you may discover a new passion! Take advantage of the opportunities. Involvement in extracurriculars is an incredible way to meet new people, while also developing new skills and learning to balance school work with additional obligations.

## DISTRICT

# Registration For 2021-22 School Year

## Kindergarten and New Students

If you are new to the Riverside Local School District or have children entering kindergarten, you must register your children online at [www.riversidelocalschools.com](http://www.riversidelocalschools.com). Parents and guardians no longer need to visit the Board Office to register their children. However, if you do not have access to a computer or the internet, you can make an appointment with Crystal DiFranco to register your child.

To complete the online registration, visit [www.riversidelocalschools.com](http://www.riversidelocalschools.com) and click on the Registration Information link under the Parents tab. You will need: birth certificate, proof of residency,

custody papers (if applicable), driver's license or photo ID, immunization records, and current IEP and ETR (if applicable). Some of these items will need to be scanned and uploaded to the Online Registration. If you do not have the ability to upload documents, you can still complete the Online Registration, but the required documents must be submitted in person to Crystal DiFranco at the Board Office. The District cannot finalize or accept the registration without the required documents.

Appointments can be made with Crystal DiFranco by calling her at (440) 358-8204.
