Riverside Hosts COVID-19 Vaccination Site

In coordination with the Lake County General Health District and the Educational Service Center of the Western Reserve, Riverside High School hosted a COVID-19 vaccination site for Lake County school employees on February 25.

As part of the Ohio Department of Health's Phase 1B Plan, the state has designated school staff members as individuals prioritized to receive COVID-19 vaccinations. More than 1,100 staff members from Riverside, Madison, Fairport and Painesville City School Districts — as well as employees from the Educational Service Center of the Western Reserve, Summit Academy, Andrew Osborne Academy, Huntington Learning Centers, and Our Shepard Lutheran School — received their first vaccine dose and are scheduled to receive a second dose on March 19 at Riverside High School.

Earlier this year, Governor Mike DeWine announced that vaccinations would be available for personnel in Ohio schools, so long as their school districts return to in-person learning or hybrid education delivery models by March 1, 2021. Riverside has been offering two learning options

for students throughout the entire school year: a return to in-person learning and a full-time remote learning program called The Riverside Remote Learning Academy.

Throughout the school year, the District has collaborated with the Lake County General Health District to ensure we are operating our schools in the safest possible way. The return to in-person learning has been met with several

health and safety protocols put in place. These health and safety protocols include, but are not limited to:

- Requirement of face masks for all staff and students in grades K-12
- Personal portable desk shields for all students to place on top of their desk
- Hand sanitizer located throughout all school buildings, classrooms and buses
- Physical distancing to the greatest extent possible
- No sharing of supplies or materials
- No large group gatherings or assembly of students
- Limited classroom transitions
- No classroom visitors

Riverside Hosts . . . (cont'd)

Riverside Local School District employees, along with employees from various other Lake County school districts, received the first dose of the COVID-19 vaccine on February 25, 2021 at the Riverside Campus.

For families who were uncomfortable with returning to in-person learning, we implemented the Riverside Remote Learning Academy, where students meet online with teachers for four to five hours per day.

Administrators Dr. Christopher Basich and Mrs. Julie Weber, as well as more than 40 District staff members have led the Riverside Remote Learning Academy throughout the school year. More than 1,150 students, K-12, across the District have enrolled into the program, which makes up about 27 percent of our student body. The expectations for students in the remote learning program have been aligned to the expectations for students in the typical classroom setting where daily attendance is mandatory and students are graded on a traditional grading scale. The goal has been to mirror the remote learning day with a regular, in-person school day. Students who have been participating in the Remote Learning Academy have been eligible to participate in extra-curricular activities and athletics.

Meal Distribution Continues

The District's Nutrition Services department has been providing meals to remote learners free of charge on a weekly basis since the start of the school year.

Throughout the first semester, the Nutrition Services department distributed 32,902 meals.

We'd like to thank everyone in the Nutrition Services department for going above and beyond to ensure that children are receiving healthy meals that are in compliance with all necessary regulations.

In addition to the meal distribution for remote learners, the U.S. Department of Agriculture announced in the Fall that all in-person learners will also receive breakfast and lunch at no cost through the end of the 2020-2021 school year.

Grant Received Toward Purchase Of Buses

We are pleased to announce that the District has received a grant of up to \$200,000 toward the purchase of ten replacement diesel school buses through the Ohio Environmental Protection Agency (EPA) Diesel Mitigation Trust Fund.

The new school buses will be purchased and ready for service by the start of the 2021-2022 school year. These buses, like many of Riverside's current buses, will be equipped with camera

systems with high-resolution video and audio. The camera systems include two external cameras for monitoring school

bus stop arm violations and will also include four cameras placed throughout the inside of the bus. The grant will allow the District to retire ten old buses ranging from model year 2001 through 2006. As required by the grant award, the old buses will be permanently scrapped as soon as the new buses are ready to be utilized. Purchase of these new buses will result in reduced diesel emissions and improved safety for our students.

"We are excited for this opportunity to accelerate our bus replacement cycle by purchasing ten new school buses with improved safety enhancements, better fuel economy, and reduced diesel emissions," said Riverside Local School District Treasurer, Gary Platko.

Auditor Of State Awards District

The Riverside Local School District received two awards from the Auditor of State's Office from its most recently completed financial audit for fiscal year 2020.

The first Auditor of State Award was presented to the District for its clean audit report. To qualify for the award, the District must file timely financial reports with the Auditor of State's Office in accordance with generally accepted accounting principles (GAAP). Also, the audit report must not contain any findings for recovery, material citations, material weaknesses, significant deficiencies, Uniform Guidance (Single Audit) findings or questioned costs. Lastly, there are no financial or other concerns. Fiscal year 2020

represents the sixth consecutive year that the District received the award.

The second award relates to the Auditor of State's new Star Rating System (StaRS) for monitoring transparency in government. School districts and other public entities are audited and assigned a star rating ranging from zero stars to four stars. Entities that are compliant with all Sunshine Law requirements will receive one star. Additional stars are awarded to entities that implement additional best practices as defined by the Auditor of State. For fiscal year 2020, Riverside received a four-star rating indicating the highest achievement in open and transparent government for implementing five or more best practices. More

information regarding the new Star Rating System can be found on the Auditor of State website at <https://ohioauditor.gov/open/stars.html>.

For additional financial information regarding the Riverside Local School District, including monthly financial reports, audited annual financial statements, tax levy information, and the District's five-year forecast, please visit the Treasurer page on the District's website at www.riversidelocalschools.com/TreasurerCFO.aspx.

Newest NHS Inductees Honored

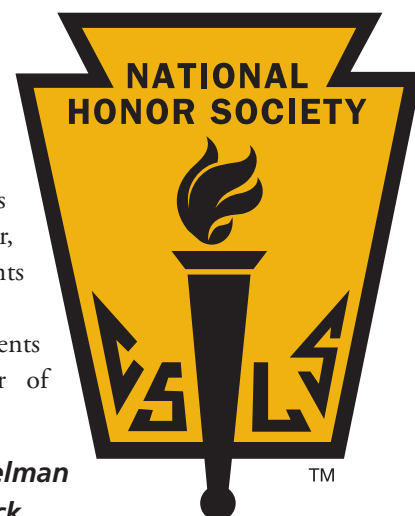

Riverside High School is proud to announce its newest inductees into the Dr. Mary Allen Porter Chapter of the National Honor Society.

To be eligible for membership consideration, students must have a cumulative grade point average of 3.5. Additionally, potential members must meet high standards of leadership, service and character. Members of the Sophomore, Junior and Senior classes that met the G.P.A. requirement and completed the NHS packet were evaluated by the five-member Faculty Council.

Leadership is based on the student's participation

in community and school activities, as well as an appointment or election to an office. To meet the service requirement, the student must have been active in three or more service projects in the school or community. Character is measured in terms of integrity, behavior, ethics, and cooperation with both students and faculty.

Congratulations to the 30 students inducted into the Riverside Chapter of National Honor Society this year.

Online Fee Payment Through *Infinite Campus*

Online payments via electronic check can now be made through the Parent Portal of Infinite Campus with no additional service fee. This includes adding funds to a lunch account as well as payment of school fees, pay-to-participate fees, latchkey fees, preschool tuition, and other miscellaneous fees. The District made the decision to waive the service fee for electronic check payments as an added convenience to families and reduces the amount of cash and checks handled by District personnel.

Payments can also be made using a credit card but will continue to be subject to a \$2.49 service fee per transaction. This helps offset the credit card processing fees incurred by the District. Infinite Campus accepts Visa, MasterCard, and Discover credit cards. The District will also continue to accept payments via cash, check and money order

as well.

Infinite Campus uses a highly secure third party "PCI DSS Level 1" compliant payment vendor.

This means the vendor meets the highest level of compliance with the Payment Card Industry Data Security Standards while also processing more than six million transactions per year. No payment information is stored directly in Infinite Campus and District personnel cannot access sensitive credit card and banking information.

The Parent Portal link for Infinite Campus can be found on the District's website under the Parents tab. Once in the Parent Portal, users can view outstanding fees, lunch account balances, and payment history by clicking on the Fees tab in the left-hand column.

**No Added
Service Fees**

RIVERSIDE ALUMNI ASSOCIATION

Hall Of Fame Inductions Scheduled To Return

Due to the global pandemic, the annual Riverside High School Hall of Fame Induction Ceremony was cancelled in the fall of 2020. The Riverside Alumni Association is currently planning to resume the tradition in the fall of 2021.

The Riverside High School Hall of Fame began during the 1995-1996 school year as a way to recognize athletic accomplishments during and after a student athlete's playing career at Riverside High School. This category of the Hall of Fame also recognizes the great coaches who have guided and developed our student athletes.

The Alumni and Faculty/Staff categories were added a year later. The Alumni category of the Hall of Fame recognizes graduates who have gone on to have successful careers or those who have dedicated their lives to the public and community. The Faculty/Staff category honors those who have demonstrated outstanding classroom results or reached out to help students prepare for their future.

For more information on the Riverside High School Hall of Fame, please visit www.riversidealumni.com.
