RIVERSIDE CAMPUS

\$2.5 Million CTE Grant Secured

The Riverside Local School District has been awarded \$2.5 million from the Ohio Department of Education and Workforce to expand their career elective offerings. This grant award will allow the District to build an addition on the existing Riverside High School to create space for career education and hands-on learning.

In addition, the grant will fund materials and equipment to further student learning and exposure to specific industry needs. While career education has long been the mission of Joint Vocational School Districts, such as Auburn Career Center, Riverside sees value in experiences that allow all students to gain a better understanding of what career pathway they might want to pursue after graduation. Through the implementation of this grant, Riverside will be able to continue to offer these opportunities to all students.

The additional space at Riverside, which is tentatively scheduled to be completed by the Spring of 2026, will be used to expand and enhance the Construction, Advanced Manufacturing, and

**Department of
Education &
Workforce**

Healthcare programs already offered at the school. A lack of space has limited the development of these programs, and the District hopes to see increased enrollment as a result of the additional learning space.

Riverside High School began its career elective offerings several years ago when the District received a grant to upgrade its welding lab. The welding lab, now a state-of-the-art facility, spurred the development of other career electives that could be offered in the traditional high school environment. Students

are able to earn credentials in a specific industry, as well as gain valuable experience in the career field of their choice.

Starting in 2024-2025, the District will offer at least one career elective in each of the career fields identified by the Ohio Department of Education and Workforce. Unlike traditional career-tech schools, Riverside focuses on creating an elective, not a program, that allows students to earn credentials, gain experience in the field, and work towards graduation requirements.

\$40K Safety Grant Awarded

The Riverside Local School District has been awarded a \$40,000 School Safety and Security Grant from the Ohio Bureau of Workers' Compensation. This grant award will go toward the purchase of additional security cameras and secure keycard systems.

The secure keycard systems will align with the District's transition to employee identification badges. All staff members across the District will now wear employee identification badges that will allow them to enter buildings in place of physical keys. The badges are also used for printers, copy machines and time clocks. This allows the District to better track and monitor staff entering our buildings and access can easily be shut off at any time. The badges also display the employee's photo so students, parents and visitors can properly identify the staff member.

The additional security cameras will be high-definition external dome cameras and will provide better coverage around Riverside

Campus, the Field House, the stadium, athletic fields and the Campus parking lot.

The Ohio Bureau of Workers' Compensation School Safety and Security Grant Program assists Ohio employers with ensuring the safety of their staff who instruct children throughout the state. The program is available to eligible Ohio employers who wish to purchase equipment to substantially improve the safety and security of facilities, and to reduce or eliminate injuries or illnesses associated with providing educational services to children.

This is the second time the District has received this grant. Back in 2019, the District was also awarded \$40,000, which was used to purchase bus cameras and radios.

As always, the safety of our students and staff is our top priority. Implementation of these additional security cameras and secure keycard systems will help us continue to provide a safe environment for everyone in our District.

DISTRICT

New Positions For 2024-2025

The District is pleased to announce Jennifer Westbrook has been named the Early Childhood Assistant Principal, effective August 1, 2024. This is a newly created position that will oversee the District's preschool program while also assisting with administrative duties at Buckeye and Melridge elementary schools — where preschool will now be located.

Westbrook has been with the District since 2020 when she was hired as an assistant principal at

Ursuline College. She also completed post-graduate work in Education Administration at Kent State University. Prior to being hired at Riverside, she was an intervention specialist at Crestwood Middle School for 13 years.

In addition, Jeff Eckles has been named an Assistant Principal of Riverside Campus and Kaitlin Collier has been named the District's Student Services Supervisor.

Eckles has been with the District since 2002 and has served as a Social Studies teacher, advisor and coach during his tenure. He holds a Bachelor's Degree in History from Saint Louis University and a Master's Degree in Educational Leadership from Cleveland State University. Eckles is replacing Michael Lewis, who is retiring.

Collier has been with the District since 2015 and has served as an Intervention Specialist at several of our elementary schools over the past nine years. She holds a Bachelor's Degree in Early Childhood and Special Education from Edinboro University and a Master's Degree in Education Administration from Youngstown State University.

Community Kindness Day Grows

You may recall in past years, several staff members would participate in a Community Kindness Day prior to school starting during the summer. This year, we wanted to involve more of our schools, students and staff and participate in more meaningful projects that would leave a long-lasting, positive impact on our community.

On Friday, May 24, each of our schools partnered with a local nonprofit to work on projects in our first ever District-wide Community Kindness Day.

Buckeye Elementary partnered with *The Jared Box Project* to make 'busy boxes' for children at TriPoint Medical

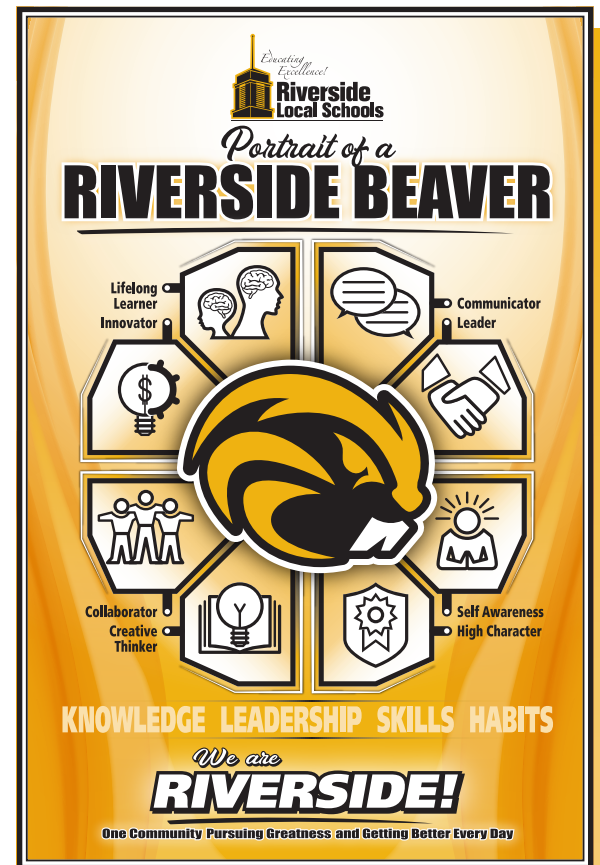

Center and Rainbow Children's Hospital. **Melridge Elementary** partnered with *End 68 Hours of Hunger* and did a school-wide collection of more than 370 cereal boxes to be donated to area families. **Parkside Elementary** partnered with *Project Linus* to make blankets to donate to children in Northeast Ohio. **Riverview Elementary** partnered with the *Lake County Council on Aging* and collected dog and cat food for their Pet Meals on Wheels Program as well as created holiday cards for seniors.

LaMuth Middle School had students take a field trip to local businesses to thank them for their support and hand out Riverside goodie bags. **Riverside Campus** partnered with *United Way of Lake County*, *The Salvation Army* and the *Lake County Historical Society* where student groups visited the nonprofits to volunteer for the day.

Our Latchkey program made cards for local nursing homes and the **District's Central Office** staff also volunteered at the *United Way of Lake County*.

What an awesome day for our District. We look forward to continuing and growing this tradition next school year.

The Riverside Business Advisory Council and District Leadership Team has been busy at work this year creating a new **Portrait of a Riverside Beaver**. Unlike past portraits, this document does not just focus on the graduate, but rather a student's entire time in the District — Preschool through 12th grade. More to come . . .

Thanks!

The District would like to thank the following businesses, organizations, and individuals for their donations, which were approved by the Board of Education between February 2024 and May 2024:

- **RHS Gridiron Club** for donating \$18,783.53 for three additional coaches for the 2023-2024 school year
- **Armstrong Family Foundation Fund** for donating \$2,500 to Riverside Golf
- **Riverside Band Boosters** for donating \$8,230.04 toward the purchase of a new computer system
- **SSC Controls Company** for donating \$500 to the RAVE program
- **Mentor Nissan** for donating \$2,000 to Riverside Softball
- **RBI Club** for donating \$540 to Riverside Baseball for the purchase of hats
- **Thomas and Janice Wunderlich** for donating \$200 for the Janice Wunderlich Scholarship
- **B.P.O. Elks No. 549** for donating \$250 to the LCpl David Baker Memorial Scholarship Fund
- **RLEEF** for donating \$61,962.21 for various scholarships
- **Anonymous Donor** for donating \$450 for student meal accounts at Melridge Elementary

Riverside Head Football Coach and Athletic Director Dave Bors announced in April that he was stepping down from his position as head coach of the varsity football team after 14 seasons. He will remain in his position as the District's Athletic Director. In May, Jeremy Ishmael was named the head football coach.

Ishmael has been on the Riverside football coaching staff since 2006 and has been the Defensive Coordinator since 2012 under Coach Bors. Under Ishmael's defensive leadership, the football team had the second-best scoring defense in the Western Reserve Conference during the 2023 season and has consistently ranked as a top 3 defense over the course of the past 10 years. The defense was responsible for 102 takeaways the last five seasons and has scored 17 defensive touchdowns over the past four seasons. In addition to coaching football, Ishmael had previously served as the Girls Track & Field Coach in 2008 and 2009.

Off the field, Ishmael has been a teacher at Riverside Campus since 2006 and has taught 9th grade World History, 10th grade U.S. History, 11th and 12th grade AP Government, American Government and 12th grade Economics.

Ishmael is following in the footsteps of Bors, who was hired in 2010, when he took over a 2-8 football team and has since achieved remarkable success during his 14-year tenure.

Beyond the wins and losses, Bors has been a mentor and role model to countless student-athletes on and off the field while focusing on instilling values of discipline, teamwork, leadership, commitment, work ethic, community, positive attitude and determination.

"I am proud and honored to have been able to have served as the head coach for the Riverside Beavers for the last 14 years," Bors said. "It's humbling to be a small part of such a great District and community. I

Dave Bors

**Jeremy Ishmael,
Riverside Head
Football Coach**

cannot thank everyone enough for all of the support and effort in helping to get this program to one that is recognized and respected statewide. I have said many times that this has taken a tremendous amount of hard work by a lot of tremendous people.

"With that said, I would like to give my sincerest thanks and gratitude to my wife, three daughters and family, all of the past and current high school, middle school, and youth coaches, all of our great players, parents, cheerleaders, trainers, administration, school boards, teachers, staff, Gridiron Club, and ultimately, the entire community of Riverside Nation. It could not have been done without you. I will forever cherish so many great relationships built, triumphs accomplished, and experiences had, so again, my sincerest thanks and gratitude to everyone.

"I look forward to continuing to work with all of the Riverside student

athletes and coaches in my role as Athletic Director," added Bors. "In the meantime, I am very excited to name Jeremy as the head coach of the football team. Each year, Jeremy has been trusted to take on more and more responsibility in the program. He has proven that he is a trusted asset to this program and has earned the right to embrace this opportunity. Having coached alongside Jeremy for each of my 14 seasons at Riverside, I am looking forward to seeing this program under his leadership."

"I am honored to be named the head football coach and look forward to continuing — and building off — the success that the Riverside program has experienced over the course of the past six to seven seasons," Ishmael said. "Through all my years as an assistant coach, I have had the unique opportunity to experience and evaluate the approach of what makes a successful head coach. I have come to appreciate the time, hard work and dedication that is required in order to be successful in this position."

Plows Painted And Ready To Go!

On Friday, May 3, Riverside High School art students once again spent time painting the Painesville Township snow plows.

You will be able to see the incredible work from our students when viewing the plows this summer at community events, parades and festivals and again next winter when it's time to remove snow. Thank you to Painesville Township for their participation in this event every year and for supplying the paint.

Thank You For Your Service

On May 16, Riverside High School recognized five seniors who have committed to serve in the military following graduation.

Vanessa Valdivia
Army

Benjamin Weiss
Army National Guard

Troy Leishman
Marines

Unable to attend: **Prince Maes** (Navy) and **Jake Catlett** (Army National Guard)

Special thanks to **Beth Knezevich**, a 1981 RHS graduate, Army veteran and current Riverside Alumni Association President for being our guest speaker.

You can watch the entire ceremony on the District website.

Banner Sponsorship Program

Funds raised from the Banner Sponsorship Program benefit the District's Athletic Department, which supports all high school and middle school athletic programs.

Banners are displayed within Riverside Stadium and the Field House. These venues bring in thousands of community members to the Riverside Campus on a weekly basis for not only high school sports, but also youth community leagues and various other events. This is a great way to have your company seen and recognized by many people on a weekly basis. If you would like to participate in the **Banner Sponsorship Program**,

please contact Nick Carrabine, Director of Marketing and Communications for the Riverside Local School District, at (440) 358 8216 or by email at nick.carrabine@riversideschools.net.

Congratulations to all of Riverside's student athletes and coaches for another successful year. For the third year in a row, **Riverside's boys teams were awarded the Western**

Reserve Conference All Sports Award after

accumulating the most points throughout the year based on each team's placement within the conference. Riverside's girls teams were less than one percentage point away from winning a second consecutive WRC All Sports Award. Shown here are some of the more noteworthy accomplishments for the 2023-24 school year.

Another FOUR! After a year when, for the first time in school history, multiple Riverside student-athletes were awarded News-Herald Player-of-the-Year status for their performances, four more were honored this academic year. Congratulations to back-to-back winners **Mikey Maloney** (football) and **Savanah Laurenty** (girls basketball) along with **Antonio Bottiggi** (wrestling) and **Clara Granchi** (softball) who were each honored this year.
