

PUBLIC NOTICE

Request for Qualifications for Design Professional Services

The Riverside Local School District Board of Education (District) wishes to obtain Statements of Qualifications (SOQ) from qualified design professionals for an upcoming Riverview Elementary School Expansion and Improvement Project (Project). The anticipated scope of the Project includes the construction of additional instructional spaces and other building and site improvements at Riverview Elementary School, and as needed at LaMuth Middle School, Buckeye Elementary School, Melridge Elementary School and such District facilities. The District anticipates utilizing a Construction Manager at Risk to construct the Project.

This Request for SOQs is also available on the Riverside Local School District Board of Education's website: <https://www.riversidelocalschools.com/TreasurerCFO.aspx>.

The evaluation of SOQs will be based on the following: The firm's competence to perform the required professional design services as indicated by the technical training, education and experience of the firm's personnel, especially those who would be assigned to perform the services; the firm's ability to perform required services competently and promptly based on its workload and availability of qualified personnel, equipment, and facilities; the firm's past performance, as reflected by previous client evaluations, based on control of costs, quality of work and meeting deadlines; and other factors the District considers relevant.
