Strategic Plan Update

The District has been working on a new Strategic Plan since the beginning of 2021. A Strategic Plan helps school districts set goals and focus on areas to improve upon. Throughout the past two years, we have conducted surveys and focus groups with students, staff, board members, parents and community members to help define our priorities for the next several years. Through these surveys and focus groups, stakeholders were given the opportunity to share their thoughts on the District and what their experience has been like with our schools.

Once we gathered all the information from these surveys and focus groups, we were able to determine four key focus areas:

> Safety, Climate, and Wellness Advocacy, Partnerships, and Engagement **Fiscal Sensibility Teaching and Learning**

With the help of Strategic Plan Committees, we will continue to create work plans and action steps to achieve goals among the four key focus areas throughout the next several years. To learn more about our Strategic Plan, visit our website and select the 'Strategic Plan' link underneath the Community tab.

We would like to thank the Educational Partnerships Institute (EPI) who have been helping us facilitate the Strategic Plan. This organization has been working with school districts all over the state of Ohio for more than 30 years.

One Community Pursuing Greatness and Getting Better Every Day

Safety, Climate, and Wellness

Make Riverside a safe, healthy and happy place to work and learn through the development of healthy organizational habits.

Advocacy, Partnerships, and Engagement

Engage the Riverside community through communication, educational advocacy and development of purposeful partnerships with businesses and alumni.

Fiscal Sensibility

Maximize return on investment for all funding sources, seek new revenue streams for facilities plan implementations, improve physical safety, and financially support District priorities and strategies.

Teaching and Learning

Expand program options and delivery to meet the needs of each student and grow teacher capacity and efficacy.

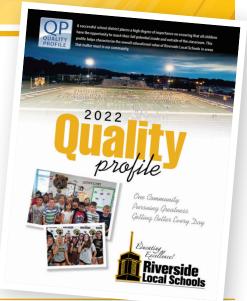

2022 Quality Profile Released

The Quality Profile is a more comprehensive, community-oriented companion piece to the state report card. This document helps evaluate the effectiveness of a school district beyond standardized testing and other statistical measures.

The content is based on six categories: academics, arts, student leadership and

activities, fiscal stewardship, parent and community involvement and student services. Because the State Report Card focuses primarily on how well students perform on state-mandated assessments, we feel it is important to showcase the entire educational experience a student may have while enrolled in the District.

You can read the Quality Profile HERE. It will also be mailed to all community members in the District.

Riverside Campus seniors from the Student Initiative for Developing Excellence (SIDE) Leadership Class have created a new program called Sidekicks. The purpose of Sidekicks is to bring high school seniors together with the kindergarten class. Once a month, seniors from the SIDE Leadership Class will visit all kindergarten classes in the District to read them books, color with them, and to interact and create a bond.

Riverside Community Choir Concert

Riverside High School is inviting YOU to perform in the Riverside Community Choir Winter Concert on Wednesday, November 30 at 7:30 p.m.

Rehearsal dates are November 9, November 15, and November 28.

If interested in participating, please fill out **THIS FORM**.

For updates or more information, join the Remind Class (@mrgoberge) or e-mail Riverside choir director Glenn Obergefell at glenn.obergefell@riversideschools.net.

Field House Open

The Riverside Field House is open to community members free of charge from 7 a.m. to 11 a.m. on school days. There is an indoor track in the Field House for walking and running. We do ask that community members bring a dry pair of shoes to exercise. Lockers are available to store valuables and clothes, however, individuals must bring their own lock to secure their belongings.
