## NHS Members To Be Inducted

Riverside High School is proud to announce its newest inductees into the Dr. Mary Allen Porter Chapter of the National Honor Society.

To be considered for membership, students must have a cumulative grade point average of 3.5. Additionally, potential members must meet high standards of leadership, service and character. Members of the Sophomore, Junior and Senior classes that met the G.P.A. requirement and completed the NHS packet were evaluated and screened by the Faculty Council consisting of five members of the faculty.

Leadership is based on the student's participation in community and school activities, and appointment or election to an office. To meet the service requirement, the student must have been active in three or more service projects in the school or community. Character is measured in terms of integrity, behavior, ethics, and cooperation with both students and faculty.

This year 62 students are being inducted into the Riverside Chapter of National Honor Society. This is the largest number of inductees that Riverside High School has had since 2005.

The official Induction Ceremony will be held Tuesday, October 17 at 6 p.m. in D.W. Shaner Auditorium on the Riverside Campus.

## Lunch With Law Enforcement

We are proud to continue our Lunch With Law Enforcement program this school year. Lunch With Law Enforcement is a program the District started in 2018 to encourage local law officers to visit any one of our six school buildings during the lunch hour to receive a free meal. This offers several benefits including increasing officer visibility, enhancing security and most importantly, allows for students and staff to interact with law officers on a more personal level.
