Veterans DAY
Ceremony & Luncheon

Riverside Campus will host its annual Veterans Day Ceremony and Luncheon on Monday, November 11 at 11 a.m. in the Riverside High School Auditorium.

We welcome any and all veterans in the community to attend this event.

To RSVP, please email **jenny.cavell@ riversideschools.net** and list your name, number of guests attending, and name(s) and grade level(s) of any relation to students who attend Riverside Campus.
Senior Citizen Appreciation Night

The District will once again be hosting a Senior Citizen Appreciation Night on Thursday, November 21 at 4 p.m.

Resident seniors will be able to enjoy a free dinner in the Riverside High School cafeteria prepared and served by students in the Foods and Nutrition classes. The dinner will be followed by a free performance at 5 p.m. of the fall play, *Death by Chocolate*, in the D.W. Shaner Auditorium.

▶ *We do ask that senior citizens attending the dinner on November 21 RSVP to rhstheatre@riversideschools.net by Friday, November 15.*

For all other attendees ticket information for *Death by Chocolate*, which will also be performed on Friday, November 22 and Saturday, November 23, can be found **HERE**.

PLEASE NOTE:
These dates are different than previously communicated due to a recent scheduling change.

Lake County School Financing District Renewal Levy

The Riverside Local School District is part of the Lake County School Financing District which has a renewal levy that appears on the November 5, 2024, General Election ballot (Issue 4). Because this a renewal levy, there will not be a tax increase for taxpayers. For more information about this renewal levy that has been approved every five years since 1990, click **HERE**.

Securly Parent Internet Monitoring

Parents now have the ability to monitor their child's internet history through Securly Parent.

Securly Parent is an option for you to be able to view your child's internet history at school or at home when your child is using their school-issued device — or any device that your child is using if they are logged into it with their school email account.

You will also have the ability to pause the internet at home or block specific websites if you are using the Securly app.

The Securly app can be downloaded from your smartphone's App Store. Once the app is installed, you will need to type in your email address that you have set up in Infinite Campus.

You will then receive an email from Securly verifying your identity and the app will automatically populate your children's internet activity information. You can learn more about Securly **HERE**.

If you have any questions about Securly, please contact the District's Technology Director, John Renwick at 440-358-8220 or **john.renwick@ riversideschools.net**.
