## Riverside Set To Join GCC

We are proud to announce that Riverside will be joining the Greater Cleveland Conference (GCC) beginning with the 2026-2027 school year. The GCC will consist of Brunswick, Cleveland Heights, Euclid, Lorain, Mentor, Riverside, Shaker Heights and Strongsville high schools.

Riverside will remain in the Western Reserve Conference through the 2025-2026 school year, which will mark the last year of the WRC's existence.

"We are both excited and humbled to be joining the Greater Cleveland Conference," said Riverside Local School District's Athletic Director Dave Bors. "This move provides our students with the opportunity to collaborate and compete at a high level alongside some of the top school districts in Northeast Ohio."

"While fostering new rivalries and enhancing our overall academic and athletic experience, we look forward to showcasing the dedication, talent and pride of our community as we take this exciting next step."

"Riverside's strong athletic traditions and commitment to student development align perfectly with the GCC's mission, ensuring the conference maintains its hallmark competitive balance," added GCC President Mike Babinec. "The addition of Riverside to the GCC was carefully considered, emphasizing athletic balance, sportsmanship standards, academic alignment, and geographic proximity. Riverside's traditions of athletic excellence and strong community support made it an ideal candidate for inclusion."

# Kindergarten Updates

**ATTENTION! Have you registered your child for Kindergarten yet?**

Registration is now open on our website for the 2025-2026 school year. In addition, join us for **Kindergarten Kick-Off Night**, located at each elementary school in the District, on Wednesday, May 7 to learn more about what to expect for your child's

first year of school.

Next school year, we are excited to introduce **Kinder Camp**, where all kindergarten students will report to school on Monday, August 25 and spend the first three days of school interacting in

different classrooms with different groups of students and different teachers before being placed in their permanent classroom. The overarching goal of Kinder Camp is to help teachers create balanced kindergarten classes.

## Painting Of The Plows

*Partnership with Painesville Township started in 2016*

On Friday, April 25, Riverside High School art students once again spent time painting the Painesville Township snow plows. You'll see these plows this summer at community events, parades and festivals — and again next winter when it's time to plow snow.

Thank you to Painesville Township for their participation in this event every year and for supplying the paint.
