Monica Stark from LaMuth is working on a shared calendar so the individual PTO groups can enter their events in one place.

10. Superintendent’s Report – Dr. Rateno reviewed the state report card. Riverside received an overall rating of 3.5 stars. The Quality Profile was released on September 19. It was produced in-house this year. Dr. Rateno highlighted the Homecoming Parade and Pep Rally, the Chalk Fest, and the End 68 Hours of Hunger Food Drive. There are three more sessions of Coffee with Chris scheduled in October. The sign has been erected on “J.K. Way” honoring Dr. Kalis.

Bialosky has finished the assessments of the buildings and the reports are expected in October. He mentioned TDA’s assessment of the baseball and softball fields and the track replacement project. The kilns at Parkside and Riverview have been installed and invoiced.

12. Public Participation

- A. Public Comment

A Concord resident thanked Dr. Rateno for taking time to meet with him to talk about performance scores. He is concerned that math education across all Lake County districts with the exception of Kirtland has poor scores.

A Concord resident commented on the students helping Sub Zero Mission. She attended a meeting there and they do important work. They will be honoring a Riverside graduate who passed away with a turkey dinner giveaway.

A Painesville Township resident wanted to address the latest “conspiracy theory” saying that parents have no rights in education. He is a parent and he feels he has a lot of rights and say in his children’s education. He said the students spend more time at home than they do here and parents have 100% control when the students are home. He thinks CRT is not true, and Google is not trying to spy on us. This is not what the school board should be concentrating on. He said kids are what they are and cannot be indoctrinated through the education system. He said the candidates with the most inflammatory comments and advertising will get the votes. He hopes that common sense and calmness take over.
