

Examples of Sketchbook assignments

Disclaimer: In this ppt you will find examples of people who fulfilled the assignment or almost did with comments on how to fix. This ppt contains bad quality images I took with my cellphone as I snuck on their shelves and secretly took pictures of their images

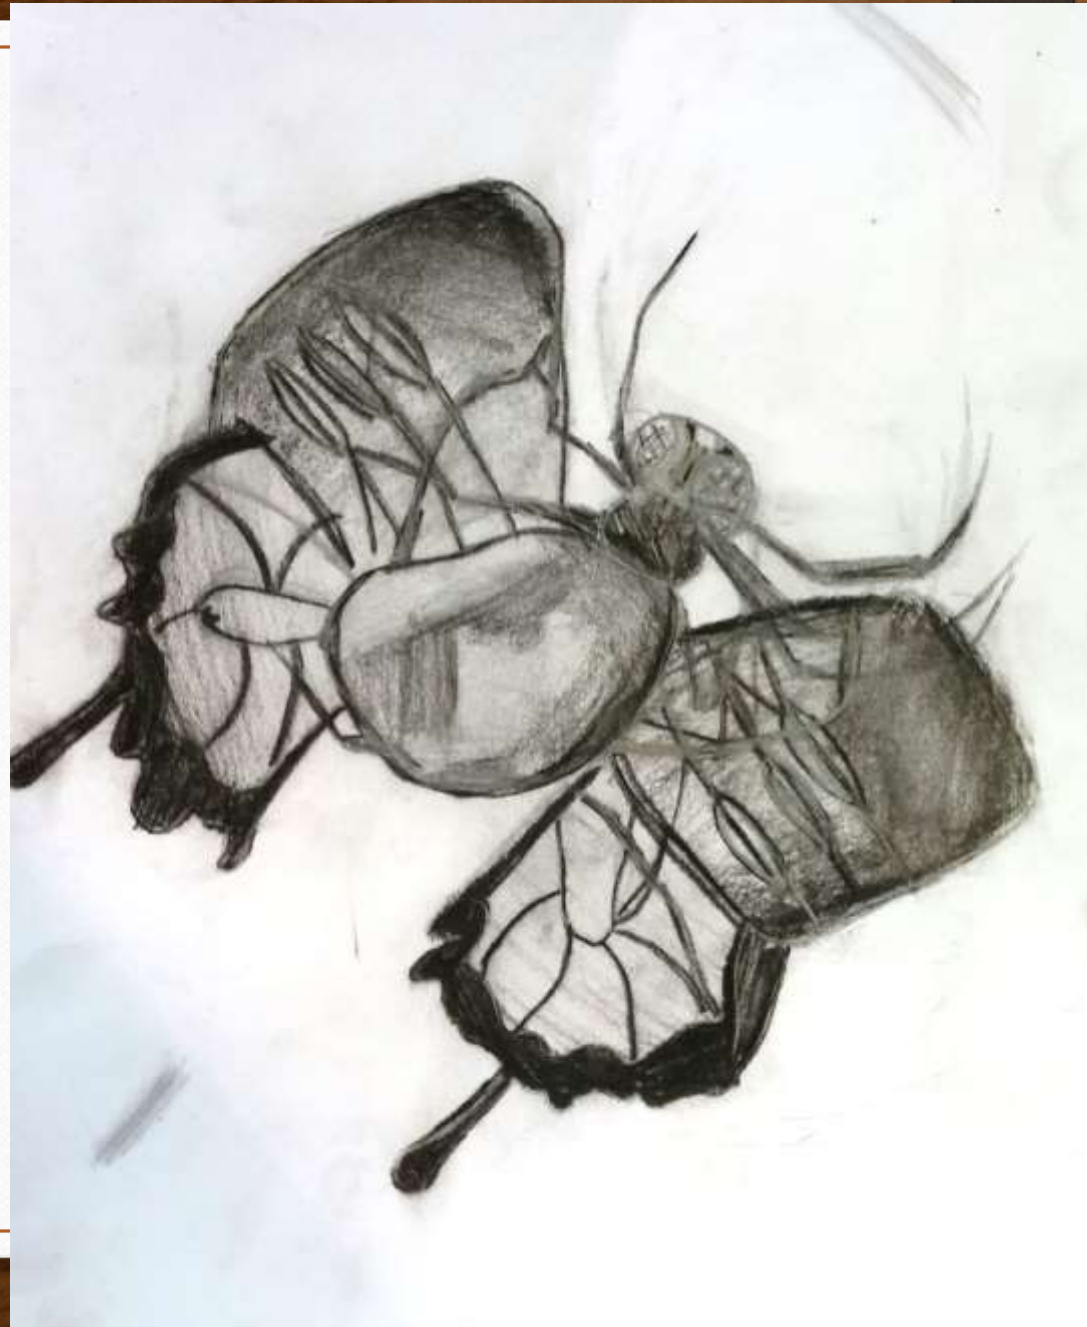

Mechanical object

Something Melting

*I like how she
took
something and
doesn't
normally melt*

Making up
insect

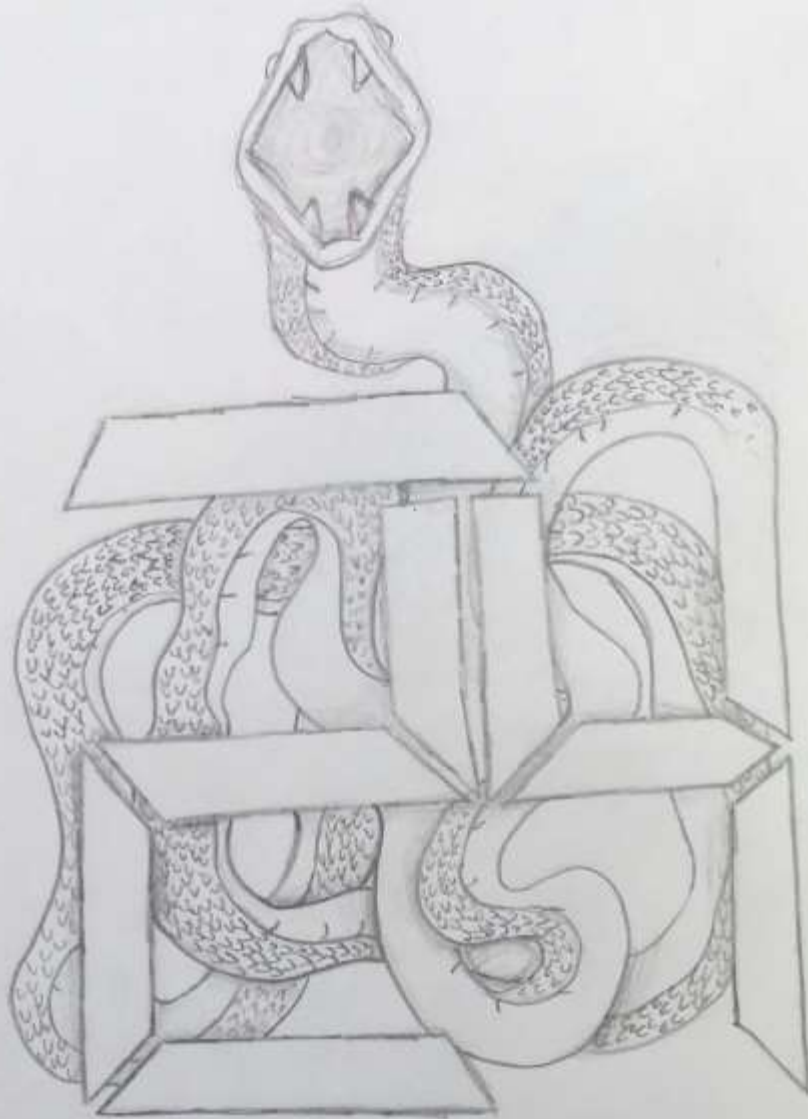

Draw a Tennis
Shoe ⑤

I ALWAYS
Wonder Why
Birds Stay in
the Same Place
When They Can Fly
All over The World
But Then, I Ask
Myself the Same Thing

Tattoo design

Mechanical

Object

*use more of
the negative
space*

Create a new
insect by
looking at other
insects
*I like the way
she explained
the other
pieces*

Using words
to create an
object
*Nice idea,
needs value*

If you're
going to add
color, make it
worth it, don't
just color it
like a coloring
book.

Something
that oozes

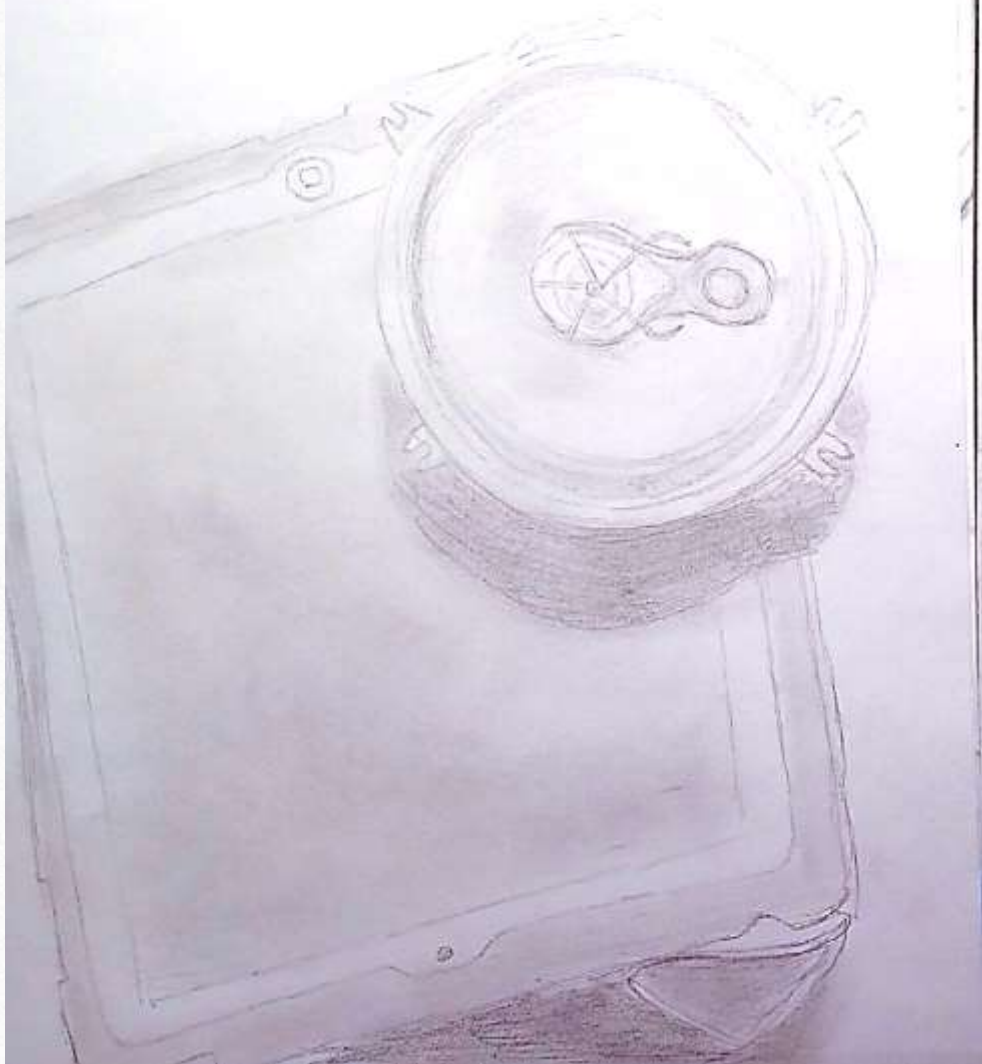

*cool that she
made
something up,
Ooze
Monster*

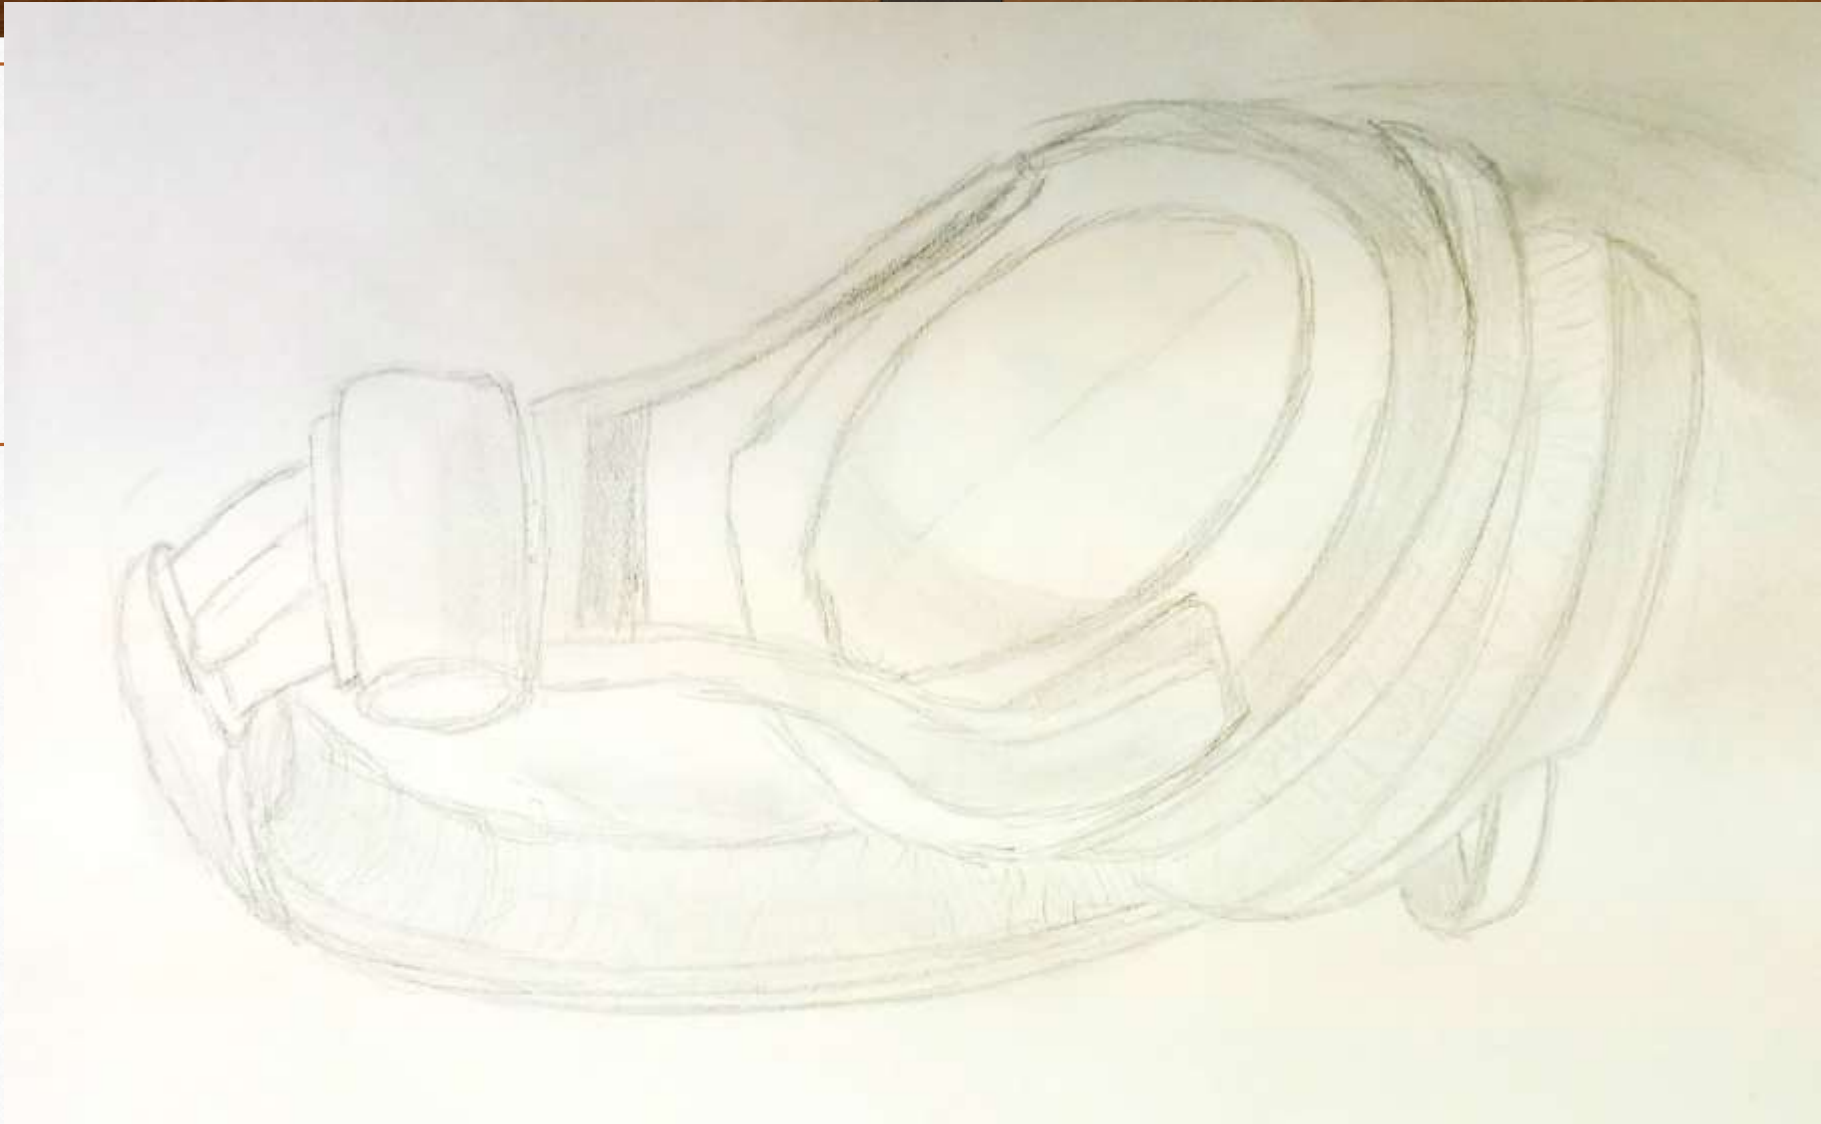

Something
Mechanical
needs shading

Lots of detail
yea!
Needs value

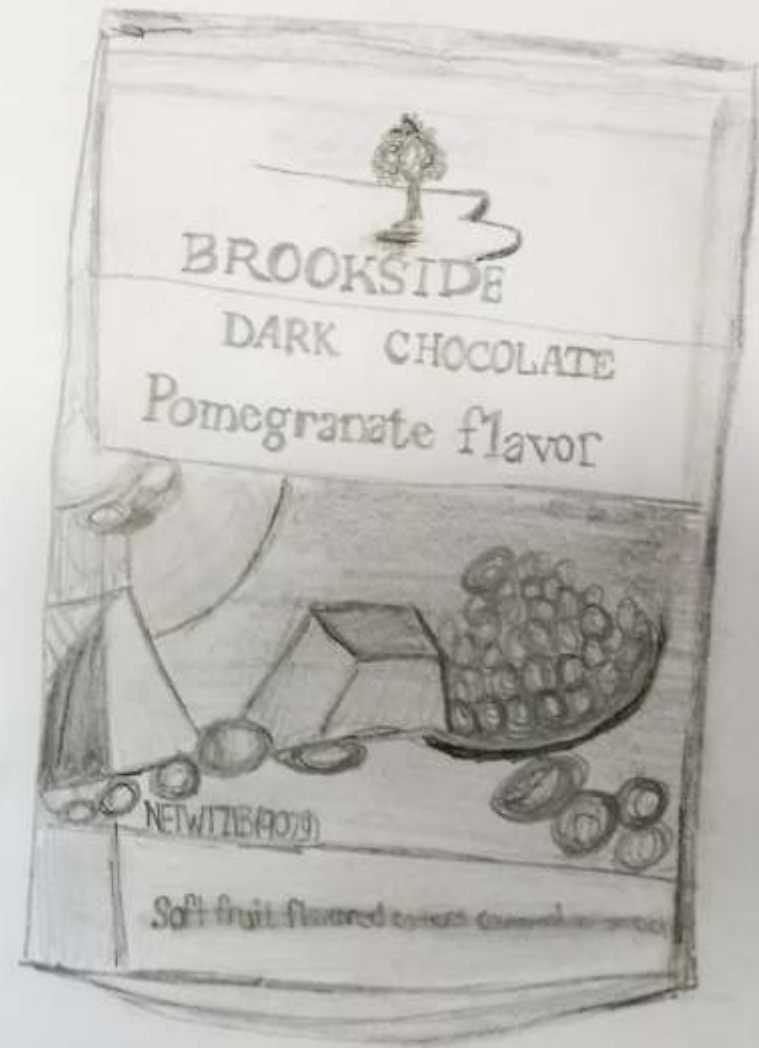

*Cool angle

Needs more shading and a shadow

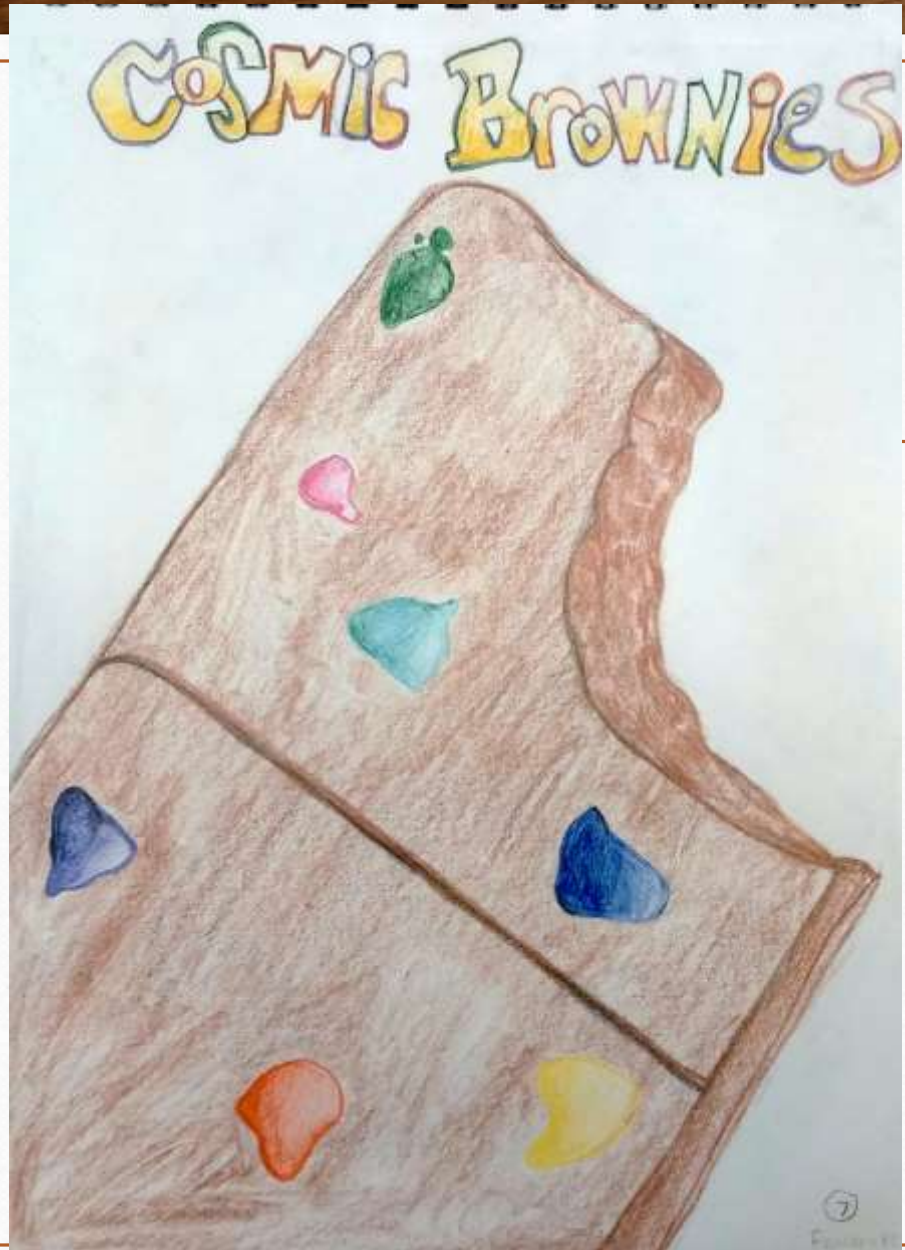

Favorite Snack

Shoe
drawing,melting

Snack food, needs more
shading

Focus on drapery

44 - object wrapped in cloth

Wrap
something in
cloth

46

Draw your hand against another part of anatomy

Animal From
life or
reference

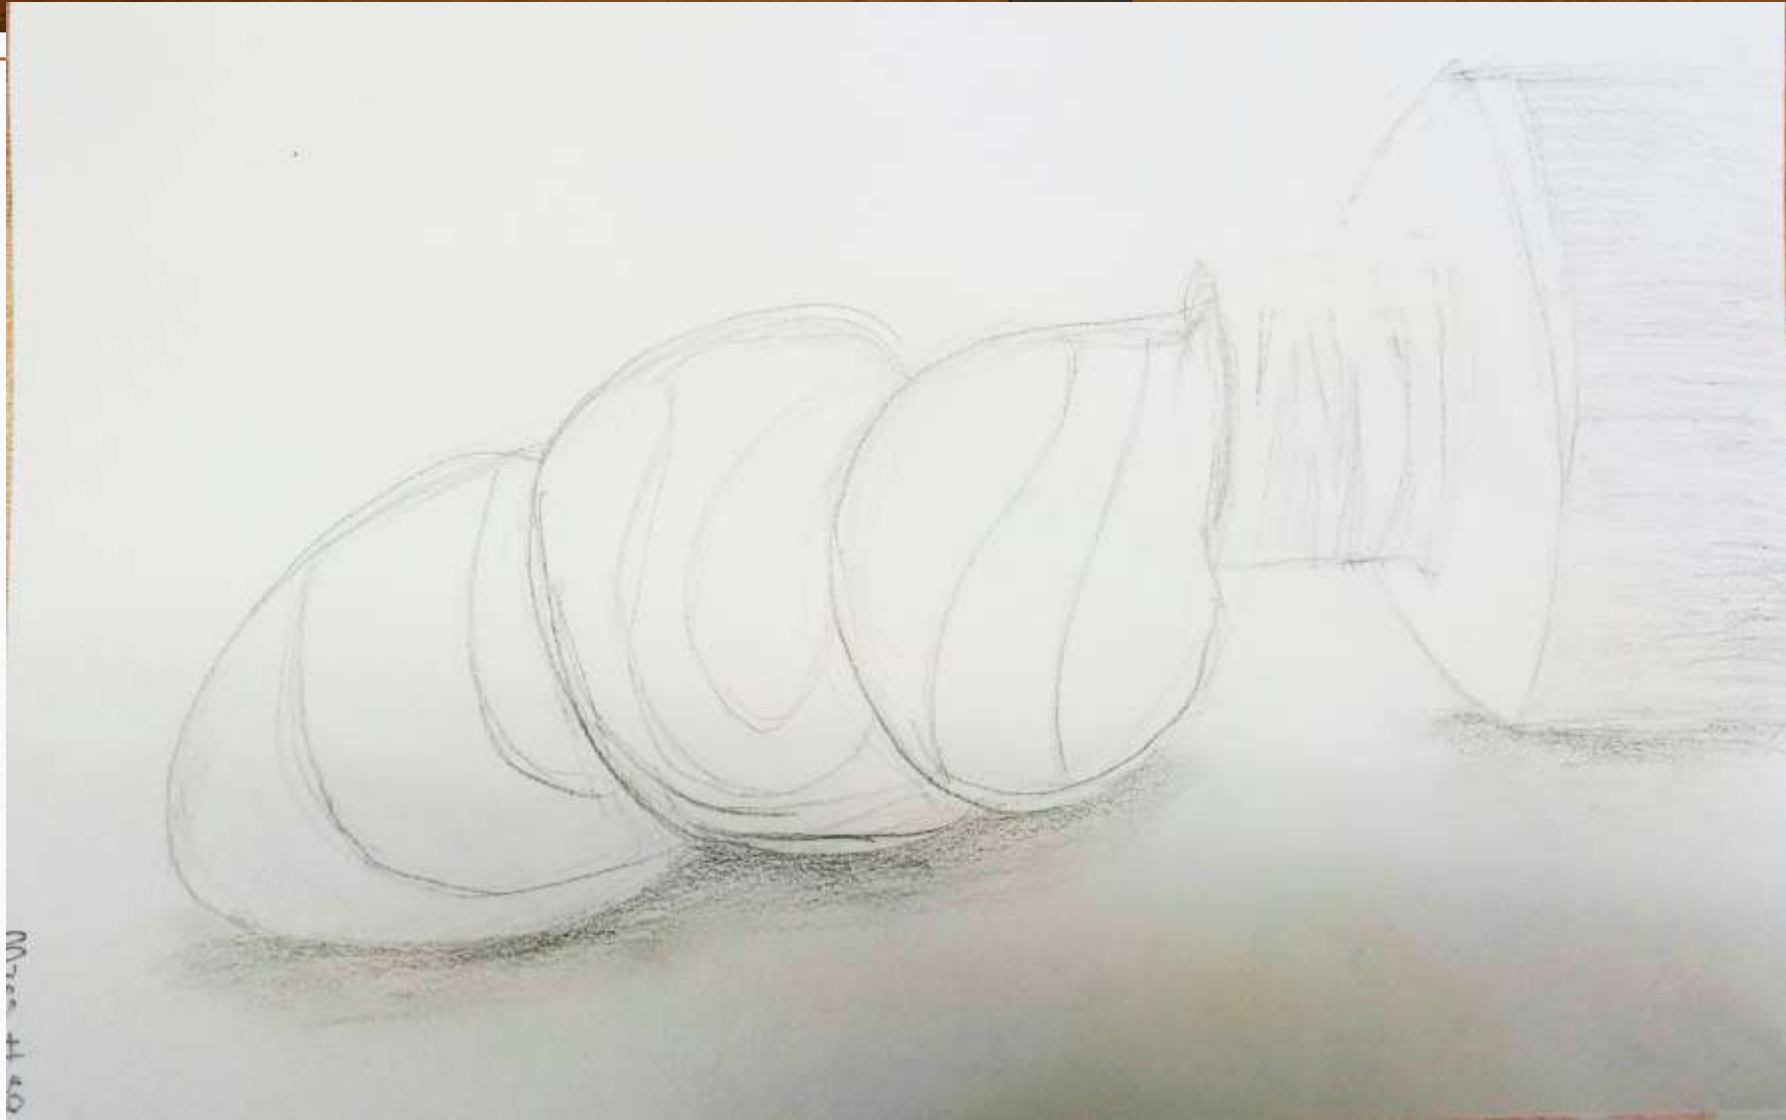

(Catching dreams) Tattoos

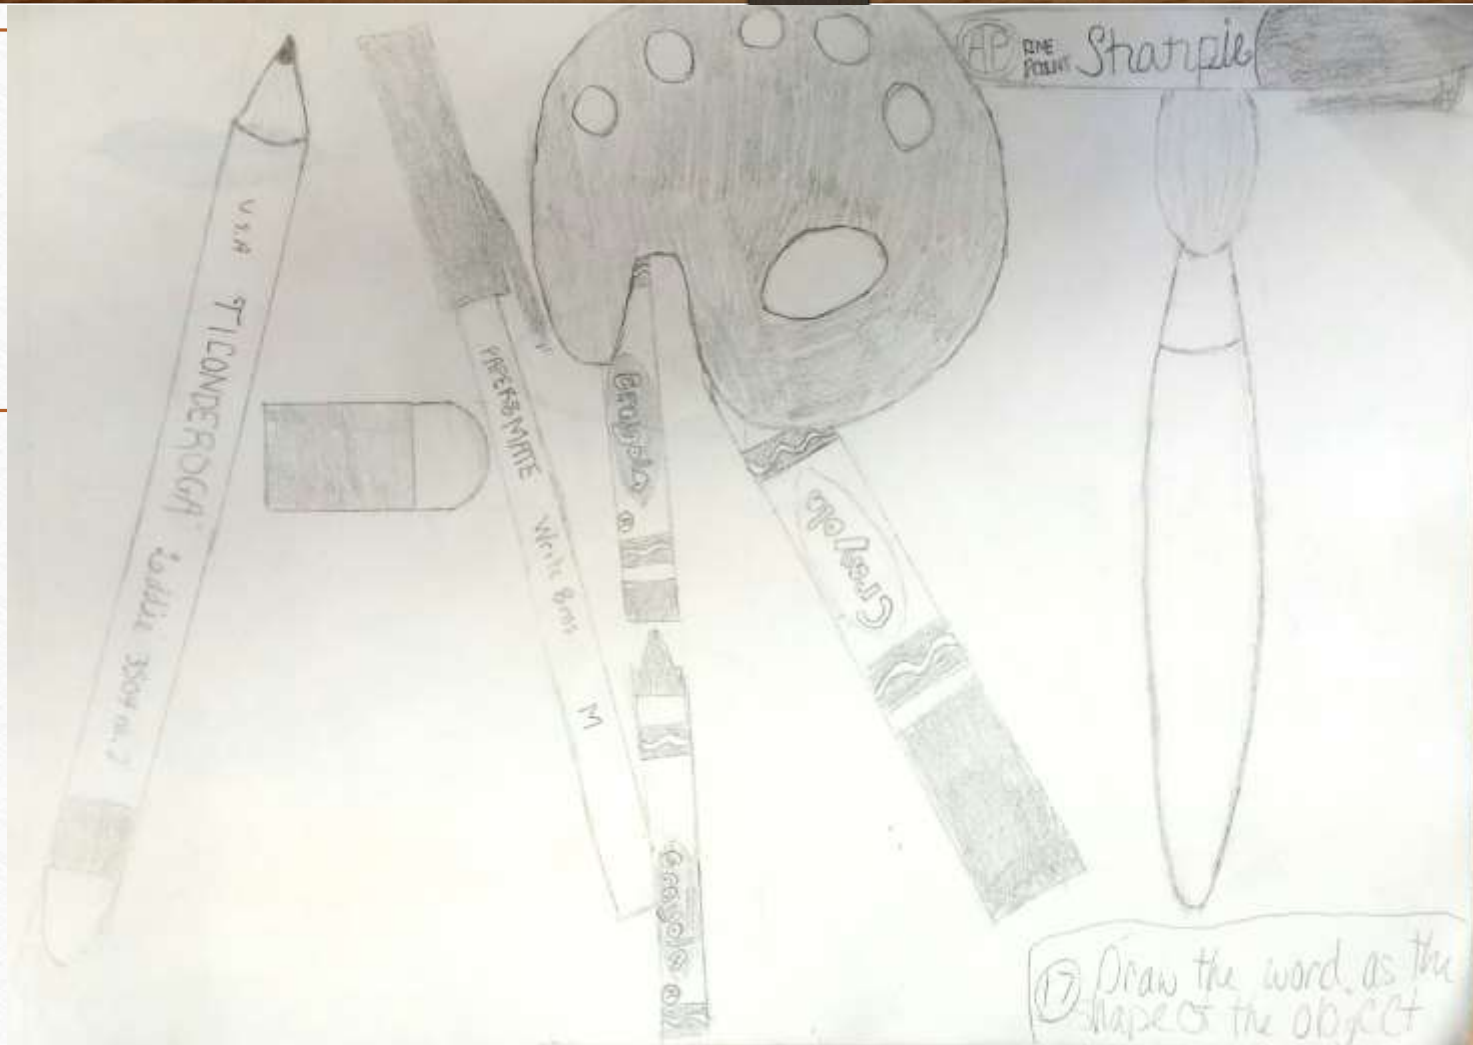

Design a student
desk
*creative but
needs more value

Something that oozes * needs more shading

Creative Color
Wheel
*saturate
colors more

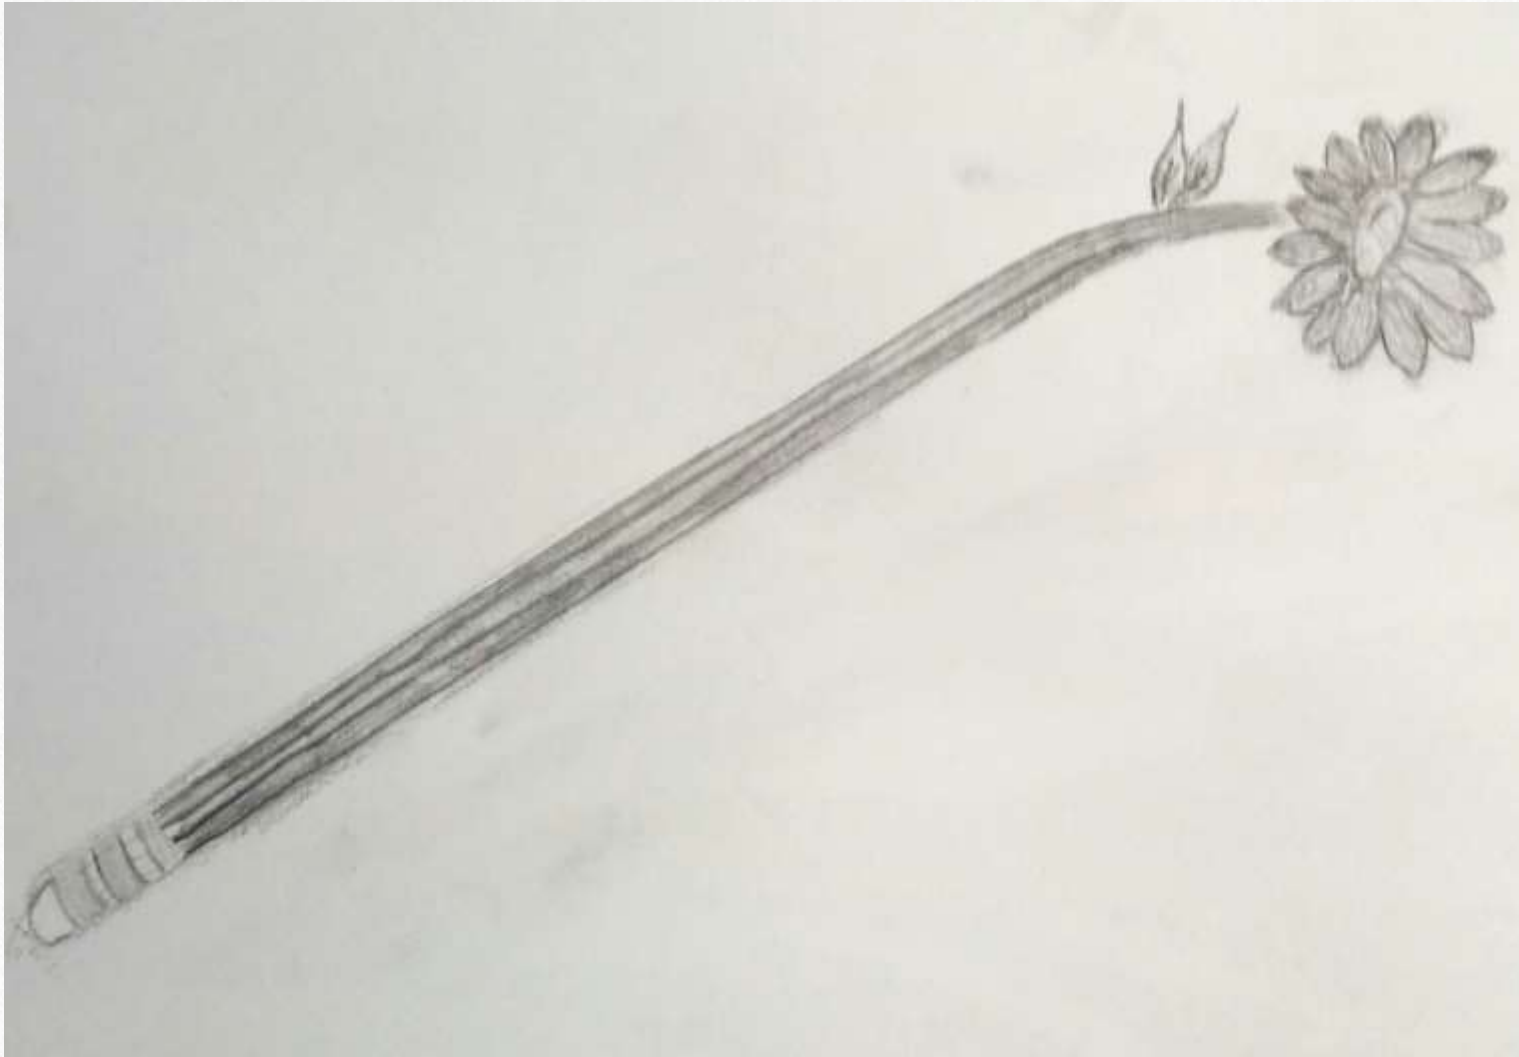

Spell a word with objects

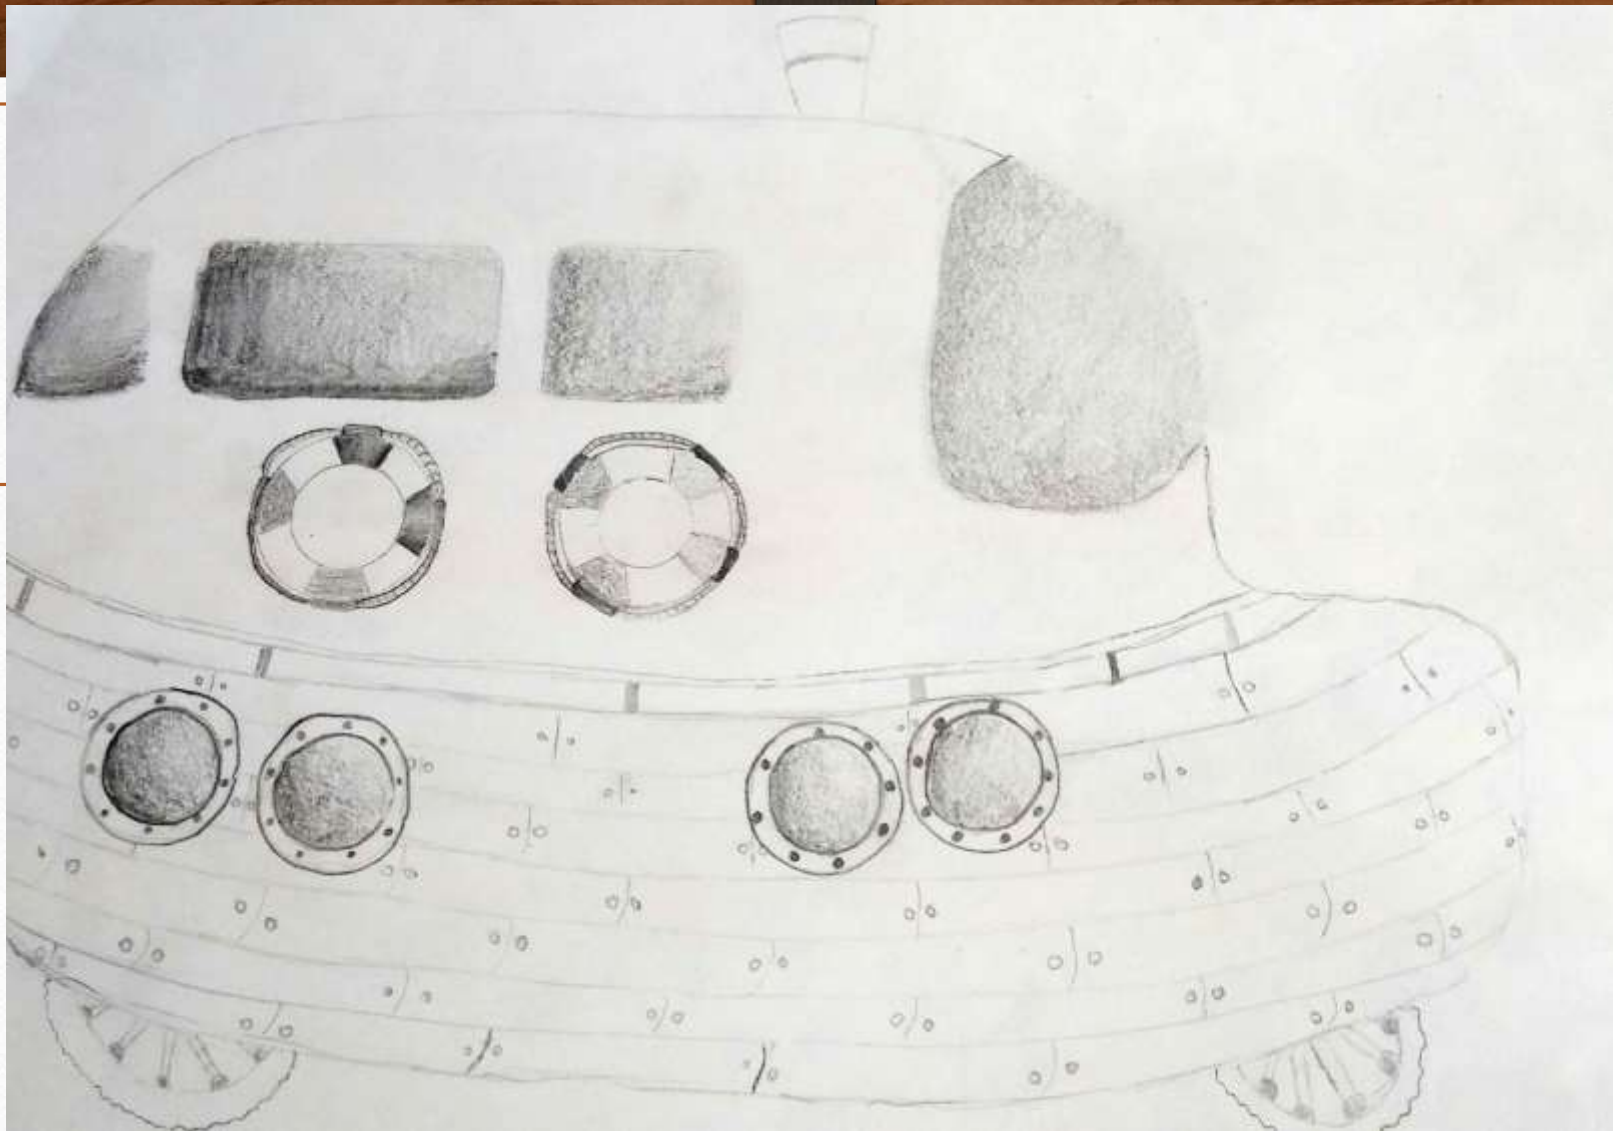

Imaginary
place

Spells Mountain

Too
much
negative
space

Design a vehicle

Needs shading

Fill a jar with
something
*needs more
shading

To draw hands
