New Faces At The Riverside Campus

Each new school year brings many new faces to our District and this year is no different. First to be profiled in **Riverside Reality** are the following two people. The first person will quickly become one of the most recognized new additions to the Riverside Campus. The second person, while maybe not as recognizable, will become very familiar to students throughout the year on an as-needed basis.

Deputy Corey Svagerko

Deputy Corey Svagerko of the Lake County Sheriff's Office has been appointed as the new School Resource Officer (SRO) for the Riverside Local School District. Deputy Corey comes from a family with a strong history of law enforcement experience with his father, uncle, and brother all being police officers.

Growing up in Madison, Ohio, Deputy Corey played soccer at Madison High School as well as at Lakeland Community College. He began his law enforcement career at the Lake County Sheriff's Office in 1999.

Deputy Corey is married and has two children, a boy (age 10) and a girl (age

As the school year begins, Deputy Corey is looking forward to working with the District staff and meeting all the students.

Nurse Heidi Perry

The Riverside Local Schools has a new nurse to serve the District. Recently appointed to care for our students is Heidi Perry, a registered nurse with the Cleveland Clinic for the past 21 years.

Mrs. Perry has experience with orthopedics, plastic surgery, emergency care, diagnostic procedures, and much more. She recently obtained her School Nurse certification while substituting

in local school clinics for the past two years.

Mrs Perry is looking forward to a safe and healthy year at the Riverside Campus in her new position as the District's nurse.

In upcoming issues of the **Riverside Reality**, we look forward to introducing more of the newest additions to our Riverside Local School District community.
