

Crossroads Hosts Young People's AA Meeting

Please pass the word about our AA meeting for young people!

Crossroads: Lake County Adolescent Counseling Service, Inc. is hosting a weekly AA Meeting for Young People at our Munson Center facility, 8445 Munson Road, Mentor. Meetings will be held each Friday at 7 p.m.

All youths in the community are welcome to take part.

We know that enthusiasm goes a long way in a recovery group. The enthusiastic founders of the Young People's AA Meeting at Crossroads will have a positive impact on the direction and future of the meetings. The initial participants have named the meeting "Life Is Not Over When You're Young and Sober."

It is great to have an AA meeting available for our adolescents who are receiving assessments and treatment for alcoholism and other drug addictions here at Crossroads, along with others from the community.

For further information regarding this specific AA meeting, call Don Davies at (440) 255-1700.

Crossroads is a non-profit organization providing behavioral health services to children and their families. It has headquarters in Mentor. Primary support comes from the Lake County Alcohol Drug Abuse and Mental Health Services (ADAMHS) Board.

**Sincerely,
Don Davies M.Ed., LICDC, PC
Alcohol and Other Drug Treatment Services Supervisor**
